

I have been listening exclusively to K-LOVE for years. There are **thousands** of families like ours in the Chicago, IL area that are relying on K-LOVE to broadcast their positive, safe & encouraging message. There is so much garbage being transmitted over the airwaves that it is **vital** to the emotional & spiritual health of these families that we have the oasis of K-LOVE on the airwaves, sending their uplifting God/Christ –centered message to us. **Please do not allow** the LPFM stations to take priority over current FM translator service. **There is tremendous value in the service provided by K-LOVE**, not just for my family, but for the entire regional & national listening area. Thank you.
